Dekstop View using Laptop ad PC screens (over 1024px screen width) for example proportions

The screenshot displays the FundPIN website's desktop homepage. At the top, there is a navigation bar with links for 'Projects by Project Type by Country All Projects', 'Blog', 'DONATE', 'Search', 'User Profile', 'Cart', and 'REGISTER LOGIN'. Below the navigation is a yellow banner with the text 'Browse Projects now!' and 'Register Login'. The main content area features a large gray box containing an 'Intro title' and several horizontal gray bars. Below this is a section titled 'About FundPIN' featuring a grid of six green heart icons with ECG-like patterns. Further down is a section titled 'Featured Projects' with three images of people holding a globe, each accompanied by a small circular navigation indicator and a 'see more...' button. The next section is 'Blog', which also shows three similar images with a navigation bar below them. The 'Our Supporters' section contains six small square logos, each with the letters 'WWF'. At the bottom of the page is a footer with a decorative header consisting of a series of overlapping triangles. The footer includes a 'FundPIN' logo, a 'Short blurb' section, address fields, quick links for 'About Us', 'Projects', 'Blog', 'Privacy Policy', 'Testimonials', and 'Contact Us', a newsletter sign-up form with an 'Email Address\*' input field, and social media links for Facebook, Instagram, LinkedIn, and Twitter.
